

# Graphics Designer Cover Letter

1867 Romaguera Mountains North Connechester, WA 72077-0158

**Dear Charlie Bartoletti,**

I am excited to be applying for the position of graphics designer. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for innovative and responsive design solutions from concept to completion, demonstrating strong typography skills and the application of graphic/digital design principles that will propel our brand identity forward.

Please consider my experience and qualifications for this position:

- Create advanced, beautiful and strategically creative comps for different solutions and proposals
- Expertise with Adobe Creative Suite tools
- A self-starter who can work autonomously, make sound independent decisions, while being able to efficiently manage time and multiple projects simultaneously
- Previous design experience from marketing organization or agency
- Bridge or similar
- A current "L" access authorization or current equivalent clearance (Secret) granted by another Federal agency
- Understands universal interaction principles terminology
- Keeps current on new graphic techniques and technologies, recommending changes as appropriate

**Thank you for considering me to become a member of your team.**

Sincerely,

Tatum Crona
