

Graphics Designer Cover Letter

322 Erdman Underpass
Port Salleyton, NH 29316-9297

Dear Dakota West,

I would like to submit my application for the graphics designer opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for detailed mock-ups, specifications and style guides. I explore design principles such as colour, typography, and photographic selection, UI elements, animation and micro-interactions.

My experience is an excellent fit for the list of requirements in this job:

- Possesses intermediate knowledge in Adobe Creative Suite tools
- Is familiar with image optimization, cropping and saving assets for web and mobile projects
- Understands the importance and purpose of branding guidelines and technical requirements
- Can interpret and implement brand book at a basic level
- Leverages sketching and storytelling skills to communicate design intention
- Demonstrates working knowledge of image optimization, bitmap image manipulation and illustration (Asset Edition, Manipulation, Vectors)
- Has some experience designing for mobile platforms (iOS guidelines, Material Design and Responsive Web Design)
- When possible, uses automation features to shorten the production times

Thank you for considering me to become a member of your team.

Sincerely,

Stevie Mante
