Dear Parker Ferry,

In response to your job posting for graphics designer, I am including this letter and my resume for your review.

In my previous role, I was responsible for strategic input on all aspects of information technology communication graphics affecting business units, SGWS IT, or other areas of SGWS.

My experience is an excellent fit for the list of requirements in this job:

- A deep understanding of performance drive design
- Auto-deductive and passionate about the broadcast industry
- Up to date knowledge of effective UI and design trends
- Proficiency with the Adobe CS (Photoshop, AE and Illustrator)
- JavaScript - Advantage
- Passionate, collaborative, and POSITIVE approach to achieving company growth objectives and enjoys working in a group with a creative/marketing and development team – A TEAM PLAYER
- Broad expertise with printing in a variety of formats
- Highly knowledgeable with component/packaging terms and lingo

Thank you for taking your time to review my application.

Sincerely,

Stevie Herman
