Dear Onyx Wiegand,

I would like to submit my application for the group audit opening. Please accept this letter and the attached resume.

Previously, I was responsible for value by helping management on all levels in T&O Infrastructure to identify and mitigate Operational IT risk.

Please consider my qualifications and experience:

- Fluent spoken and written Korean or Japanese
- Be a multi-task manager who is resilient under pressure
- Have an innovative mindset and develops ideas, which are implemented and have a positive impact
- Conduct audits on existing application systems applications under development
- Good knowledge of various operating systems, data bases, etc for mainframe, midrange and/or open systems
- Independent and committed with high level of initiative
- High level of integrity, drive and sense of urgency
- Apply extensive industry knowledge, technical expertise and substantive insights and support the SIU teams in learning and developing through proactive analysis and shared experience

Thank you for considering me to become a member of your team.

Sincerely,

Royal Shields
