

Group Audit Cover Letter

52055 Green Underpass Krystynabury, ME 24006

Dear Frankie Metz,

I would like to submit my application for the group audit opening. Please accept this letter and the attached resume.

Previously, I was responsible for strategic recommendations to key Technology projects to help improve project results, quality of deliverables, risk optimization, and compliance with policies/procedures/standards and regulatory requirements.

Please consider my experience and qualifications for this position:

- Design and implementation of effective continuous monitoring and auditing strategies
- Comply with data standards and information security policies
- Develop innovative, re-usable tools, scripts and solutions that can be leveraged by the Business Audit and Audit Analytics teams
- Working knowledge of data analysis software and coding language methods, such as SQL, SAS, ACL, IDEA, Qlikview, and/or Tableau
- Background with creating queries and scripts for data analysis
- Advanced MS Excel skills including pivot tables, Vlookups, and creating macros
- Knowledge of basic statistics (Correlation, Regression) and its application to data
- Knowledge and experience in the accounting/auditing profession preferred

Thank you for your time and consideration.

Sincerely,

Finley Kuhn
