

# Group Audit Cover Letter

65424 Bode Tunnel North Albertstad, NE 51365

**Dear Peyton Doyle,**

I submit this application to express my sincere interest in the group audit position.

Previously, I was responsible for strategic thinking, thought leadership, and guidance on identifying key risks and assessing the design and operating effectiveness of the controls supporting finance, treasury management, risk management, compliance, and corporate planning;

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Good project management, interpersonal and communication skills
- Preferably an ACCA, CPA or similar designations and accreditations
- Good team player, easy learner and motivation for professional development and career growth
- Possess Accountant Certification/Tax Certification in Japan/Indonesia (if any)
- Identifying data analytical routines that can be developed to meet audit objective
- Understanding of available resources, flow of information and ways in which information can be leveraged in the audit process
- Contribute to the design, development, testing and documentation of programs to assist in population and scoping analysis, sampling, testing, and issue impact justification
- Develop automated scripts to allow auditors to execute data analytical programs for similar or recurring audits

**I really appreciate you taking the time to review my application for the position of group audit.**

Sincerely,
