

Health Administrator Cover Letter

31274 Murray TraceRatketown, WA 10171-3761

Dear Tyler Maggio,

I submit this application to express my sincere interest in the health administrator position.

Previously, I was responsible for written instructions and supervisory visits for home health aides to ensure adherence to the plan of treatment.

My experience is an excellent fit for the list of requirements in this job:

- Solid understanding of the implementation and adoption of Lightning and Communities platform
- Sound decision-making skills are mandatory
- Project management/Improvements
- Previous experience producing business cases and demonstrating return on investment for service line programs and projects preferred
- The majority of the 8 hour shift will be spent sitting
- Team player with solid communication skills that excel in a collaborative environment
- Experience in Data loss prevention (DLP) solutions
- Strong administrative abilities (planning, managing documents)

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Stevie Douglas
