

Health & Benefits Consultant Cover Letter

194 Glover Orchard West Halley, TX 96806

Dear Dylan Predovic,

I would like to submit my application for the health & benefits consultant opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for value-added consulting expertise on projects including health and welfare plan re-design, pricing, retiree medical valuations, funding and employee contribution strategies, reserve calculations, benchmarking studies, negotiations and plan renewals.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Begin to manage actuarial projects from start to finish
- Ensure the quality and timeliness of client deliverables
- Provide financial analysis for more complex and/or larger clients, including more in-depth analysis for complex situations that require additional research or discussion with Mercer subject matter experts
- Track record of driving innovation and adoption of new tools, approaches and intellectual capital
- Proactively managing all stakeholders
- On the ground experience in South Africa preferred
- FAIS compliant, Regulatory exam certificate (no persons still under supervision on any categories)
- South African Citizen or holder of Permanent Residency in South Africa

Thank you for considering me to become a member of your team.

Sincerely,

Spencer Stroman
