

# Health & Benefits Cover Letter

114 Donnelly BrooksBlandafurt, NC 60848-3937

**Dear Azariah Stracke,**

I submit this application to express my sincere interest in the health & benefits position.

Previously, I was responsible for timely customer service and advice on the provisions of all benefit programs in accordance with the Box, Inc Health & Welfare Plan (SPD) and other plan documents.

Please consider my qualifications and experience:

- Conduct training as needed to ensure compliance with the HIPAA Privacy regulations
- Professional benefits certification preferred
- Strong PC and database application skills
- Strong knowledge of regulatory and legislative matters that impact benefits design/structure/delivery including ACA, HIPAA
- Proficient in MS Word, Visio, Power Point, MS Project and Excel
- Experience in Banking or Healthcare - Familiarity with Consumer Driven Healthcare Products (ex
- ASA or significant progress towards completion of ASA
- Well-developed oral and written communication skills, English and Spanish

**Thank you for your time and consideration.**

Sincerely,

Cameron Goyette
