

# Health Data Analyst Cover Letter

175 Ritchie Prairie Larkinmouth, UT 54771-8081

**Dear Indigo Hane,**

Please consider me for the health data analyst opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for expertise in mathematical modeling, statistics, or other quantitative techniques to develop and make strategic business decision recommendations.

Please consider my qualifications and experience:

- Familiarity with Federal reporting requirements for Medicaid programs (e.g., MSIS, PERM, TMSIS)
- Understands database structure & reporting
- Knowledgeable about file development
- Skilled with excel or access
- BS, BA, or Masters in Public Health, Epidemiology, Statistics, Economics, Computer Science or a comparable program with a quantitative emphasis
- Valence Health is an equal opportunity employer welcoming diversity in our workforce!
- Data acquisition, data mining, data analysis
- Proficiency with SQL and other data analysis tools

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Royal Hane
