

Health Data Analyst Cover Letter

577 Miller PortPort Stephanton, LA 97886-7891

Dear Max Runte,

I would like to submit my application for the health data analyst opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for expertise on mathematical concepts for the broader applied analytics team and inspire the adoption of advanced analytics and data science across the entire breadth of our portfolio.

Please consider my qualifications and experience:

- Experience in Power BI and/or GI
- Population Health or value-based contracting experience strongly preferred
- Experience with qualitative and quantitative analytical techniques in order to measure the effectiveness and efficiency of program management practices
- Experience with relational databases and knowledge of query tools
- Proficiency with Microsoft Office suite, including advanced knowledge of Excel and Access
- Substantial analytical experience in the managed care industry
- Deep understanding of healthcare coding
- Experience with Provider Data

Thank you for your time and consideration.

Sincerely,

Dylan Adams
