

Health Data Analyst Cover Letter

4391 Wehner PineSouth Adamport, MT 62659-7125

Dear Ari Hand,

I would like to submit my application for the health data analyst opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for expertise on mathematical concepts for the broader applied analytics team and inspire the adoption of advanced analytics and data science across the organization.

Please consider my qualifications and experience:

- Knowledge of EMS systems
- Knowledge of clinical diagnoses and treatments
- Knowledge of healthcare settings and delivery
- Knowledge of the principles and practice of research methodologies
- Knowledge of the principles and techniques of data quality assurance and control
- Knowledge of the principles and techniques of auditing of data transactions
- Knowledge of data suppression confidentiality procedures
- Experience with public health surveillance and research

Thank you for considering me to become a member of your team.

Sincerely,

Story Cassin
