

Health Educator Cover Letter

4955 Brekke RadialSpringchester, AZ 79640-6853

Dear Lennon Grimes,

I submit this application to express my sincere interest in the health educator position.

In my previous role, I was responsible for health and wellness education utilizing a multitude of media including group presentations, support group facilitation, creative use of modalities, provide newsletter contributions, etc.

My experience is an excellent fit for the list of requirements in this job:

- Valid Florida's driver's license
- Certified Diabetes Educator (CDE) or eligible
- Demonstrated experience in program planning, implementation, evaluation, and education training
- Certified as an International Board Certified Lactation Consultant (IBCLC)
- Knowledge of and competence with health and wellness related topics
- Current Georgia Nursing License if RN, or Certification in Health Education, preferred
- Expenses reimbursed on a per mileage basis
- Certification in Health Education, either as a Certified Health Education Specialist (CHES) or Master's Certified Health Education Specialist (MCHES)

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Emery Considine
