

# Health Educator Cover Letter

457 Dane Flats New Teodorofurt, ID 41481-9457

**Dear Dallas Koelpin,**

Please consider me for the health educator opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for and grow onsite health education presentations and wellness intervention recommendations on a wide variety of health and wellness topics such as weight, stress, nutrition, physical activity and healthy lifestyle habits for employer groups in Florida Blue's Better You health promotions and wellness program.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Demonstrated technological competence in Microsoft Office
- Training and experience as a BASICS provider preferred
- Experience with or demonstrated willingness to learn other research and internet oriented software packages (e.g., Endnote, Contribute, Teleform, SNAP, ATLAS.ti, Ovid search engines) is desirable
- Bilingual skills (English/Hindi or Urdu) preferred
- Assists in conducting community environmental scans and health assessments of the community to identify complimentary services, programs, organizations and institutions
- Significantly contributes to the development of grant applications to highlight program, peer-review publications of OHED activities, and community assessments
- Aware of key barriers to accessing care and is resourceful in addressing them
- Experience in conducting community assessments via surveys, focus groups, and listening sessions

**Thank you for your time and consideration.**
