

Health Educator Cover Letter

944 Jast IslandsToshiamouth, WV 51206

Dear Frankie McCullough,

In response to your job posting for health educator, I am including this letter and my resume for your review.

In the previous role, I was responsible for group and one-on-one training to clinical staff and others via classroom training, webinars, e-learning, and field observation.

Please consider my experience and qualifications for this position:

- Experience with time management systems or calendars
- Work throughout the region they are assigned and across jurisdictional boundaries
- Experience with electronic health records – preferably CAIR or other immunization registry application
- Knowledge of vaccines and immunization schedules and medical practice management
- Knowledgeable and able to converse using motivational interviewing preferred
- Strong customer interaction skills preferred
- Flexible, self-motivated and organized preferred
- Able to handle multiple tasks/responsibilities simultaneously preferred

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Riley Johnson
