

# Health Educator Cover Letter

91610 Mayer CanyonTheronbury, NY 19864-7350

**Dear Rory Schulist,**

Please consider me for the health educator opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for individual, family, group psychotherapy to identify, refine and assist in application of preventative and reactive coping strategies to disease.

Please consider my qualifications and experience:

- Strong team player preferred
- Demonstrated knowledge of health education, college health, public health, student development and stages of change theories and best practices
- Assist participants' progress through long and short term goal setting, using a myriad of health suggestions and resources
- Participate in collective record keeping which allows for continuity to exist between multiple health coaching sessions
- Maintain specified health credentialing, including certification and ongoing continuing education
- Previous work experience in a college/university environment
- Demonstrated experience in sexual assault/violence prevention efforts, alcohol and other drug prevention initiatives and other health and wellness issues relevant to a college population
- Knowledge of current evidence-based health promotion practices and theories

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Onyx Walker
