

Health Professional Cover Letter

560 Gerda ForksPort Glaydsstad, KS 56936

Dear Emerson Kling,

I am excited to be applying for the position of health professional. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for mental health services including initial and ongoing screening, diagnostic assessment, treatment planning (including regular updates), psychoeducation, psychotherapy services, crisis services, referrals, and discharge/termination planning.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Personal Training requires industry Personal Training certification from ACE, AFAA, ACSM, NSCA or NASM
- Current First Aid, CPR/AED certifications from American Heart Association, American Red Cross or American Safety & Health Institute
- Implement health education in the workplace as plan
- Part of the Occupational Safety and Health Committee
- Review and provide medical recommendation in relation to Return to Work of employees who are found with medical concern
- Eligible for working in Korea without sponsorship
- Previous experience performing customer service and interacting with individuals inside and outside an organization preferred
- Possess thorough, organized and detail-oriented approach to work for error-free medication reviews

Thank you for your time and consideration.

Sincerely,
