

Health & Public Services Cover Letter

63366 Abdul PlazaWatsicafort, FL 92565

Dear Ari Lockman,

I would like to submit my application for the health & public services opening. Please accept this letter and the attached resume.

Previously, I was responsible for leadership oversight to large scale Change Management and Communications initiatives across the Global Services and ESP organization.

Please consider my experience and qualifications for this position:

- Proficient in Microsoft Office applications, including Word, Excel, PowerPoint, Visio, and Project
- Knowledge and understanding of Medicaid Information Technology Architecture (MITA)
- Knowledge and understanding of current Medicaid policy and regulations
- Experience with Centers for Medicare & Medicaid Services (CMS) oversight processes for Medicaid IT, including funding, procurement, and certification
- Experience in identifying client needs, creating and selling Medicaid Enterprise solutions
- Professional certifications, such as Project Management Professional (PMP), Prosci, Six Sigma, or Agile
- Excellent verbal and written communications skills, including strong presentation and facilitation skills
- Demonstrated track record of success in managing large and complex consulting engagements, including a role in managing and interfacing with senior level client executives

I really appreciate you taking the time to review my application for the position of health & public services.

Sincerely,
