

# Health & Public Services Cover Letter

82439 Romaguera RowVernonview, RI 74189-1418

**Dear Sawyer Roberts,**

In response to your job posting for health & public services, I am including this letter and my resume for your review.

In the previous role, I was responsible for range of services related to PPP and other forms of alternative delivery in the Gulf region, from strategic planning and organizational change, change management through procurement and implementation to management and oversight of PPP programs.

Please consider my qualifications and experience:

- Passionate about technology and the rapid advances being made
- Knowledge of and experience with HIV/AIDS, Hepatitis, STDs, and TB and current related issues
- Knowledge of and experience with HIV/AIDS, STDs, and TB surveillance activities
- Skills in establishing and maintaining effective working relationships with organizations, groups, and individuals
- Knowledge of computer software and applications
- Experience as a team lead, supervising a team of 5-10 individuals
- Experienced in delivering programmatic, operational, and organization design
- Bring a Point of View around Employee Experience and HR Transformation

**Thank you for considering me to become a member of your team.**

Sincerely,

Onyx Sanford
