Dear Landry Cummerata,

I submit this application to express my sincere interest in the health specialist position.

Previously, I was responsible for risk-based, technical advice and counsel on HSE matters to ensure effective risk control and compliance with applicable local, state, federal and international laws, regulations & standards.

Please consider my qualifications and experience:

- Certification as a Nursing Assistant
- Demonstrated experience with dental services in Head Start
- Demonstrated experience with services to pregnant woman in Early Head Start
- Working knowledge of LGBTQ+ identities, sexual health education and STI/HIV prevention programs
- Experience working in or collaborating with urban public schools preferred
- Needs working knowledge of EHS Management Systems and safety metrics, advanced knowledge of OSHA regulations, Process Safety Management, behavior-based safety and industry best practices, familiarity in DOT hazmat transportation and SEMS offshore compliance and is knowledgeable of OSHA regulations
- Robust computer skills and advanced working knowledge of web-based technology, social media, survey instruments, graphics, publication and media presentation software
- Knowledge of inclusive practices in health communication

Thank you for taking your time to review my application.

Sincerely,

Morgan Bailey
