

Home Health RN Cover Letter

2797 Paucek GardenPort Daron, NC 83774

Dear Denver Daugherty,

I submit this application to express my sincere interest in the home health RN position.

Previously, I was responsible for outreach services to identified persons with psychiatric disabilities and other chronic behavioral and physical health conditions in accordance with agency/SBU, NYS OMH, NYS DOH, Health Home, Suffolk County DMH, Medicaid MCO and Medicaid guidelines and regulations, policies and procedures.

Please consider my qualifications and experience:

- Knowledge of Medicare, Medi-cal, private insurance and local community
- Current basic CPR
- Access, analyze, customize, coordinate and communicate the patient's plan of care and activities collaboratively with other members of the health care team
- Adheres to Maxim policy and procedure
- In accordance with the physicians referral order, makes the initial visit to the patient in their place of residence
- Evaluate the individualized plan of care and progress towards attainment of outcomes in collaboration with patient/family utilizing available data/resources
- Coordinate and provide the necessary equipment/supplies needed for patient care
- Document in a clear, concise, and organized manner to ensure the accuracy of the medical record to include updating the patient plan of care and medication profile

Thank you for considering me to become a member of your team.

Sincerely,
