

# Home Health RN Cover Letter

1352 Jack Ports West Vincetown, VT 03492

**Dear River Lesch,**

In response to your job posting for home health RN, I am including this letter and my resume for your review.

In my previous role, I was responsible for educational support to Home Health Nursing personnel in order to assure integration of pharmacy services with Home Health Nursing services.

Please consider my qualifications and experience:

- Assign, provides written instruction and supervises the Home Health Aide and appropriately delegates tasks to patient caregivers
- Coordinate care through interdisciplinary conferencing among all services involved on a case-by-case basis
- Meet or exceed department productivity standard as defined in the Home Health policy by practicing good organizational and time management skills
- Maintain professional expertise through attending mandatory department in-services and satisfactorily performing skills competencies
- Participate in the Continuous Quality Assurance process as defined in the department CQI plan
- Provide safe quality care in an efficient, cost effective manner
- Assess the physiological, psychosocial, spiritual and cultural needs of the patient/family
- Provide appropriate interventions and follow up based on assessment

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Shiloh Cruickshank
