

HSSE Advisor Cover Letter

95155 Randy RapidsAnnabellmouth, VA 14983

Dear Riley King,

In response to your job posting for HSSE advisor, I am including this letter and my resume for your review.

Previously, I was responsible for professional advice and champion GCGV safety processes to Project Leadership Team in achieving "Nobody Gets Hurt".

Please consider my experience and qualifications for this position:

- Generalist HSSE background and experience
- Well-being and health dimension of safety & risk management
- Basic security risk management knowledge
- Legal understanding and basic knowledge and practice in contract management
- Have analytical and IT skills
- Specialized knowledge in a safety specialty
- Behavioural based safety systems
- Web-based data management systems

I really appreciate you taking the time to review my application for the position of HSSE advisor.

Sincerely,

Zion Sauer
