**Dear Spencer Windler,**

I would like to submit my application for the HSSE advisor opening. Please accept this letter and the attached resume.

Previously, I was responsible for high quality site safety overview on behalf of the client of contractor and subcontractor health and safety management and site safety culture.

My experience is an excellent fit for the list of requirements in this job:

- Deep technical understanding of hazard identification, consequence and risk assessment models
- Previous experience in Technical Safety engineering- Successful completion of TSE101
- Diploma is desirable
- Strong track record in HSSE management
- Sound understanding of HSSE policies, standards and procedures
- Hands on" experience in the preparation of key HSSE management documentation (including HSE-MS) and use of the appropriate techniques (HEMP, Accident Investigation, Auditing)
- Supply Chain operations experience and / or Lubricant business experience is an advantage
- Experience in HSSE Training

**Thank you for taking your time to review my application.**

Sincerely,

Ryan Rau
