

HSSE Advisor Cover Letter

522 Alvin Plaza Lake Laura
Chester, AZ 27610-3544

Dear Rory Keeling,

I would like to submit my application for the HSSE advisor opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for expertise during concept and design phases of products and manufacturing processes to ensure that sound safety and health control methodologies are integrated in design.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience working with local and European technical and regulatory legislation applied to Fuels Business
- Experience in Oil / Retail Business
- Applies business rigour and judgement
- Develops and commands respect for professional excellence
- Speaks out and makes tough decisions
- Manages risk and drives safe, reliable and efficient operations
- Flexible and capable to work in a changing and challenging environment
- Coordinate Corporate Occupational Health and Safety OH&S (Prevención) in Spain (except Refinery)

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Charlie Bogisich
