

# Identity Analyst Cover Letter

266 Chas FordSouth Dellaborough, NC 56926

**Dear Emery Bode,**

I submit this application to express my sincere interest in the identity analyst position.

In the previous role, I was responsible for support and administration of Remote Domain Controllers, Certificate Authorization services, Smart Cards, PKI, ADFS, Kerberos, and LDAP.

Please consider my qualifications and experience:

- Experience with Ping Federate and Duo preferred
- Stays informed of program policies and procedures
- Able to multitask and prioritize effectively within guidelines
- Advanced knowledge in Excel and Word
- Experience in Identity technologies and automation is desirable
- Communicates progress regularly
- Reports to the Information Security, Risk and Compliance Identity and Access Management Lead
- Working expiring in configuring and customizing access management systems

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Avery Orn
