

# Illustrator Cover Letter

292 Matt Points South Kim, MN 47340

**Dear Robin Boyer,**

In response to your job posting for illustrator, I am including this letter and my resume for your review.

Previously, I was responsible for quality control over concepts and projects while adhering to the Creative Director and brand's direction.

My experience is an excellent fit for the list of requirements in this job:

- Extensive experience in the development of character, and prop art, working with a wide variety of illustrative styles
- Design visuals that problem solve engage
- Create an interactive graphics rich presentation
- Create the look and feel for ASE DesignSession events
- Support delivery of ASE events as part of an energetic, creative team
- Advanced skills in Adobe Creative Suite, specifically Illustrator and Photoshop
- Outstanding interpersonal communication skills and organizational skills
- Strong working knowledge of Microsoft Word, Adobe Pro, and Visio

**I really appreciate you taking the time to review my application for the position of illustrator.**

Sincerely,

Quinn Hane
