

Illustrator Cover Letter

626 Julius VillageSchmidtbury, MA 79362-4387

Dear Ari Bayer,

I am excited to be applying for the position of illustrator. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for technical support to other departments such as Assembly, Manufacturing, Marketing, Quality Assurance, etc.

Please consider my experience and qualifications for this position:

- High emotional intelligence and an obsession with connecting with an audience
- An authentic and original voice
- Extensive knowledge of design softwares (Illustrator, Photoshop, Sketch, etc)
- As needed, will attend IFB annual meeting, promotional events, and some other outside events to gather information on special events as they relate to successful completion of graphic projects
- Mastery of Photoshop, Illustrator, AfterEffects, good understanding of Dreamweaver, HTML, InDesign and web graphic formats.
- Motivated self-starter a passion for the creative medium.
- BFA in Graphic Design, Interaction Design, Visual Studies or other design-related field is preferred.
- Interest in working with interfaces in a supporting role

Thank you for your time and consideration.

Sincerely,

Royal Swaniawski
