

Illustrator Cover Letter

801 Abshire Circle Rennerville, AL 3590-1598

Dear Haven Satterfield,

I would like to submit my application for the illustrator opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for recommendations to existing technical data when applicable; determine appropriate photographs, drawings, sketches, diagrams, etc.

Please consider my qualifications and experience:

- Plan, prioritize and organize graphics work efforts across multiple projects and tasks, develop detailed schedule and accurate delivery estimates
- Translation of complex technical user requirements and architectures into relatable and easily understandable contextual graphics
- Experience in producing various products, , briefings, data sheets, web content, conceptual graphics, infographics, posters and multi-media products
- Expert knowledge of Adobe Creative Suite, Microsoft Office
- Technical / engineering design experience
- Accessible portfolio of products for review prior to, during and following an interview
- Requires CAD software experience
- Expert command of illustration and animation software

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Reese Stoltenberg
