

# Implementation Analyst Cover Letter

5482 Kohler Passage Rempelview, CO 87680

**Dear Oakley Will,**

I would like to submit my application for the implementation analyst opening. Please accept this letter and the attached resume.

Previously, I was responsible for consultation services as it relates to the xTrader application, interfaces and batch processing.

Please consider my experience and qualifications for this position:

- Experience with a WMS system
- General knowledge across the entire supply chain
- Competency with MS Office including Word, Excel, and Project
- Possess strong leadership, communication, organization and presentation skills and be able to effectively balance various assignments
- A good command of Microsoft Excel at an intermediate level
- Understanding of equity, fixed income, alternatives, LDI and/or foreign exchange investment process
- Understanding fund to fund implementation process as it pertains to Multi Asset
- Exposure to trading, implementation, operational and/or funds environment

**Thank you for your time and consideration.**

Sincerely,

Peyton Nader
