

Industrial Hygienist Cover Letter

64258 Swaniawski LockWest Elizabeth, NC 01512-5708

Dear Quinn Schaden,

Please consider me for the industrial hygienist opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for advice to line management on strategic decisions associated with new and evolving federal or state legislation and/or Company/industry standards and practices.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Eastern state asbestos licensing (NC and surrounding states.)
- Experience with radiation safety, asbestos supervisor, emergency response
- In depth knowledge of OSHA safety and occupational health regulatory requirements
- Skilled and experienced in using various industrial hygiene exposure monitoring equipment and sampling methods related to work place exposure monitoring and assessment
- General working knowledge of OSHA regulations, EPA regulations and ACGIH, ANSI or other applicable occupational health standards
- Proficient in computer work across multiple programs and platforms
- Certified Industrial Hygienist (CIH) by American Board of Industrial Hygiene
- Zama, Camp Zama, Japan

I really appreciate you taking the time to review my application for the position of industrial hygienist.

Sincerely,

Emerson Tillman
