

Industrial Hygienist Cover Letter

964 Ledner CurveBashirianmouth, UT 08133-4237

Dear Rory Walsh,

I am excited to be applying for the position of industrial hygienist. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for consultation services to supervisors using most up-to-date information of industrial hygiene-related legislation, federal, state, and local regulations, for maintaining compliant hazardous communication programs.

Please consider my experience and qualifications for this position:

- Length of overseas service tour is 36 months
- PCS cost will be authorized subject to provision of Joint Travel Regulation
- This is under Career Program # 12
- Selectees recruited outside the U.S. will have their eligibility for foreign area benefits determined at the time of hire
- New York City DEP and New York State DOL licenses for at least asbestos inspector and asbestos abatement air
- Existing regulatory certifications –NY State/NY City asbestos and mold certifications
- Some experience conducting lead based paint, mold, and indoor air quality investigations
- Coordinates and conducts the monitoring of all workplace environments by analyzing work operations and processes, materials, equipment, and work habits of employees

Thank you for your time and consideration.

Sincerely,

Briar Gorczany
