

Industrial Hygienist Cover Letter

4382 Cedrick Square East Ellenchester, NV 74419

Dear Armani Casper,

I would like to submit my application for the industrial hygienist opening. Please accept this letter and the attached resume.

Previously, I was responsible for overview to the five OxyVinyl Houston Plants for compliance with all applicable health related regulations including HAZCOM, Hearing Conservation, Respiratory Protection, PPE and Exposure Monitoring to include Asbestos and VCM.

Please consider my experience and qualifications for this position:

- Conducts EHS training, as needed
- Administers respiratory and hearing protection fit tests
- Review plans and procedures, and assists in developing design specifications to ensure implementation of approved industrial hygiene practices
- Investigates overexposure accidents and deviations from approved industrial hygiene practices, and assists in the implementation of corrective actions
- Monitors compliance with applicable OSHA standards and local regulations and requirements
- Surveys, samples, compiles, and analyzes data relating to industrial hygiene, occupational, and environmental health issues
- Performs field safety measurements and safety evaluations as needed
- U.S. Citizen or National

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Shae Oberbrunner
