Dear Parker Gislason,

Please consider me for the industrial hygienist opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for advice and guidance to IBM Senior and Line Management, Legal, Human Resources, Real Estate and Security function with respect to compliance to occupational health and safety legislation, industrial hygiene practices, regulations and standards across Canada.

Please consider my experience and qualifications for this position:

- Industrial Hygiene certification (CIH), preferred
- Asbestos Inspector certification and license preferred
- Advanced understanding of IH concepts and theory
- Providing field support for Industrial Hygiene and environmental services projects to include field data collection and documentation for IH projects and environmental site assessments and remediation
- Data compilation, reduction, interpretation, evaluation/comparison to industrial hygiene and environmental regulatory standards
- Interpretation and implementation of safety and environmental regulations, including OSHA, ACGIH, RCRA and CERCLA
- BS in Industrial Hygiene, Safety, Environmental Science, or related field is preferred
- Experience performing industrial hygiene measurements (i.e., air sampling, noise dosimetry,) preferred

Thank you for considering me to become a member of your team.

Sincerely,

Alexis Mosciski
