

# Industrial Maintenance Technician Cover Letter

515 Beatrice Inlet Lake Reannamouth, AZ 91453

**Dear Skyler Zulauf,**

I am excited to be applying for the position of industrial maintenance technician. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for required safety training including pre-job hazard training, and conduct on-going safety and work quality assessments and authorize job completion certificates.

My experience is an excellent fit for the list of requirements in this job:

- Perform new Equipment installations
- Stand for up to three hours at a time
- Visual acuity see set up, recognize problems, troubleshoot and make repairs
- Sit, bend, squat, reach, pull, twist, and turn
- Reach forward and overhead
- Manual dexterity skills to use hand tools, such as, pliers, sockets, wrenches, socket sets, screwdrivers
- Use of power equipment such as welder, hand tools, electrical meter, grinders
- Industrial mechanical maintenance experience preferred

**I really appreciate you taking the time to review my application for the position of industrial maintenance technician.**

Sincerely,

Corey Shields
