

Informatica Cover Letter

927 Edwina RouteCurtisbury, TX 71621

Dear Dylan Fahey,

I submit this application to express my sincere interest in the informatica position.

In my previous role, I was responsible for business administration and maintenance of the Informatica data governance tools - Axon, Enterprise Data Catalogue (EDC) and Informatica Data Quality (IDQ), supporting both front and back end configurations.

Please consider my qualifications and experience:

- Preferably relevant experience
- IB experience advantages but not a pre-requisite
- Skills in installation, management and support of Informatica Products suite ILM and IDV/FAS Components, good knowledge of Oracle database (SQL and PLSQL)
- Comfortable with multiple database concepts, RDBMS
- Applying development skills in Oracle, PL/SQL, Informatica, UNIX scripting
- Capable to Independently perform complex troubleshooting, root-cause analysis, solution development
- Good knowledge in performance tuning at Informatica Mapping, Session and sql query level
- Proficient in SQL and good knowledge of database concepts

Thank you for considering me to become a member of your team.

Sincerely,

Quinn Murphy
