Dear Oakley Wunsch,

I would like to submit my application for the informatica opening. Please accept this letter and the attached resume.

Previously, I was responsible for administration support and technical leadership for all aspects of the Power Center, Test Data Management, Data Quality, B2B, and Big Data Management Informatica domains.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Proficiency in Oracle PL/SQL
- Fair knowledge on UNIX shell scripting
- Investment / Finance knowledge
- Experience in Modelling will be added advantage
- Take complete ownership of task assigned
- Experience in data warehouse and data mart environments
- Experience in developing and deploying Informatica in Unix and Oracle 11g database environment
- Proficiency with RDBMS systems, SQL, Oracle PL/SQL, UNIX Shell scripting, and database optimizations

Thank you for taking your time to review my application.

Sincerely,

Armani Frami
