**Dear Emerson Schamberger,**

I would like to submit my application for the information management specialist opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for independent reviews of compliance with applicable Information Assurance Controls (IAC) for information systems/applications/programs of record residing within Marine Corps Installations.

Please consider my qualifications and experience:

- Excellent opportunities to learn more and be involved in making the global growth happen!
- Prior pre-sales success in penetrating and closing enterprise level accounts
- Working knowledge and understanding of the Electronic Discovery Reference Model (EDRM)
- Hands on experience with typical laboratory software systems (LIMS, ELN, CDS, Inventory, Asset Management.)
- Strong interpersonal and communication skills –within IT with scientists
- Proven experience to GxP computer systems validation and instrument qualification in a laboratory setting
- Experience with real time data handling mechanisms in a Big Data ecosystem including Kafka or Spark
- Experience with handling unstructured real time and batch data

**Thank you for taking your time to review my application.**

Sincerely,

Tatum Schumm
