

Information Security Risk Manager Cover Letter

88693 Nereida PassNew Oscar, OH 88134-9995

Dear Quinn Gulgowski,

I would like to submit my application for the information security risk manager opening. Please accept this letter and the attached resume.

Previously, I was responsible for security domain expertise on network, encryption and authentication services.

My experience is an excellent fit for the list of requirements in this job:

- Broad background in IT technologies, processes, standards and best practices
- Other technical certifications such as CCIP, CCNP, CCNA, CCIE or MCSE are also given consideration
- Familiarity with Agile management methods
- Understanding of financial industry's legal, regulatory and compliance requirements for information security
- Experience in creating information security baselines
- Working knowledge of configuration management
- Demonstrated leadership with teams/individuals and large/complex projects
- Strong proficiency in MS Office tool suite including Excel, PowerPoint, SharePoint and Visio

Thank you for your time and consideration.

Sincerely,

Dallas Goldner
