

# Information Security Risk Manager Cover Letter

41061 Strosin Street Lake Dedemouth, TN 08855-5807

**Dear Hayden Von,**

I submit this application to express my sincere interest in the information security risk manager position.

In the previous role, I was responsible for I3 support for Authentication and Authorization solutions including Tivoli Access Manager, Tivoli Federated Identity Manager and other security tools.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- CISM or CISA will be an advantage
- Graduate / Specialization in IT and relevant certification courses
- Demonstrable information security experience
- Extensive demonstrable information security experience
- Engineering, Computer Science, Information Security / Cybersecurity, Computer Engineering, Information Technology or related field
- Previous experience leading teams in dynamic environments
- Have and maintain a DoD 8570 IAM Level II certification
- Knowledgeable in Solaris/UNIX/Linux command line

**Thank you for taking your time to review my application.**

Sincerely,

Justice Witting
