

Information Systems Manager Cover Letter

5705 Quentin River Kristineberg, RI 14342-2073

Dear Baylor Abbott,

I submit this application to express my sincere interest in the information systems manager position.

In the previous role, I was responsible for subject matter expertise for revenue accounting team in supporting projects and facilitating internal and external financial reporting processes.

Please consider my qualifications and experience:

- Knowledge of regulatory requirements impacting computer system validations
- Current TS/SCI with poly and background investigation
- Government recognized certification such as CISM, CISSP or Security+
- Overall knowledge of Industrial Security
- Able to support business travel with short notice
- Understanding of and experience managing IT infrastructure including personal computing, helpdesk, servers, printers, and data center is preferred
- Understanding of and experience managing the data network and voice telecommunications systems is preferred
- Knowledge of district policies, state and federal laws (including FERPA)

Thank you for considering me to become a member of your team.

Sincerely,

Armani Hauck
