

Information Cover Letter

8496 Cruz CreekTyishahaven, RI 44719

Dear Tatum Runte,

I submit this application to express my sincere interest in the information position.

In my previous role, I was responsible for guidance and input on compliance oversight; areas to include PCI, HIPAA, export controls, etc.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience collaborating with diverse stakeholders across the IC and DoD
- Experience with information system assessment and accreditation (A&A)
- Identify user requirements by researching and analyzing user needs, preferences, objectives, and working methods
- Mobile ecosystem and Telecom Infrastructure knowledge and experience, including
- Solid knowledge of information security principles and practices with working experience with intrusion detection systems
- To provide regular reporting covering sales performance at title, retailer, publisher and total level
- To analyse the effectiveness of tactical retail promotions
- Situated within the Marketing Services team of 15

Thank you for considering me to become a member of your team.

Sincerely,

Ryan McGlynn
