

# Information Cover Letter

733 Jarod Place  
Joaquintown, CT 25898-2363

**Dear Spencer Bailey,**

I would like to submit my application for the information opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for leadership, drive implementation and drive ongoing compliance in the facility with IS requirements including IS policies and standards, HIPAA Security activities, Facility IS Action Plans, division IS program activities, enterprise IS program, and facility-specific needs.

Please consider my qualifications and experience:

- Broad experience within IT and project management
- Knowledge in system architectures and protocols
- Comprehensive system-wide knowledge about IT and communication technologies
- Knowledge about technical and organizational areas of information security
- Knowledge in the areas of information security management, Risk Management, Compliance, Firewall, IPS, DLP, Antivirus, Spam filter, Emergency Response, Incident Management, encryption, PKI, Mainframe, Client-/Server, MQ-Series, Messaging, Identity & Access Management, Mobile Computing, Cloud Computing
- Willingness to travel at home and abroad, at times
- Experiences with application development and infrastructure operations preferable
- Good knowledge in process modeling

**Thank you for your time and consideration.**

Sincerely,

Shiloh Lowe
