Dear Alexis Krajcik,

Please consider me for the information opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for consultation to ISBAN, an affiliated software development company to ensure software developed meets the requirements of security policy.

My experience is an excellent fit for the list of requirements in this job:

- Completion of High School graduation
- Experience working in a health care environment helpful
- Basic knowledge of Windows software needed
- Comfortable working at a distance to the majority of day-to-day co-workers, using a full range of tools (email, instant messaging, phone, WebEx, Telepresence)
- Of development experience
- Understanding of relevant information system technologies and development life cycles – such as open messaging
- Knowledge and proficiency with GIS, Javascript, grasshopper and advanced excel skills
- Strong data visualization interests and capabilities

Thank you for considering me to become a member of your team.

Sincerely,

Rowan Moore
