

Intermediate Analyst Cover Letter

3727 Jere Corners West Marymouth, WI 10097-7653

Dear Rowan Koepp,

In response to your job posting for intermediate analyst, I am including this letter and my resume for your review.

Previously, I was responsible for day to day operations support to existing processes at the direction of the Assoc Manager or Learning Content Expert.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Understand the importance of strong customer service
- Demonstrated skills in coaching junior team members, with developing project management skills
- Solid presentation and communication skills including Microsoft PowerPoint, Excel and Word
- Demonstrated strong communication, negotiating and influencing skills
- Experience with Microsoft Visual Studio and Team Foundation Server
- Hands-on experience with the .NET 4.x framework
- Experience with the implementation and support of integrated enterprise applications
- Hands on experience with design patterns and test driven development

Thank you for your time and consideration.

Sincerely,

Skyler Donnelly
