

Intern Marketing Cover Letter

953 Teri HollowLednerberg, FL 18159-3026

Dear Dakota Blick,

In response to your job posting for intern marketing, I am including this letter and my resume for your review.

Previously, I was responsible for technical support, compile and analyze various reports in Salesforce CRM and MS Excel.

My experience is an excellent fit for the list of requirements in this job:

- Strong grammar skills (interns with knowledge of AP writing style are preferred)
- Beginning to intermediate experience with Photoshop
- Knowledge of simple design concepts
- Strong excel and analytical skills
- Basic HTML knowledge and web development proficiency, including best practices for cross-email client compatibility/consistency
- Be a rising junior or senior currently enrolled in an accredited university's business / marketing program
- Junior status with Marketing concentration preferred
- Assertive, self-motivated and disciplined

Thank you for considering me to become a member of your team.

Sincerely,

Sawyer Nitzsche
