

# Internal Audit & Financial Advisory Cover Letter

7983 Jamie SquaresKubfurt, NE 38876-1981

**Dear Blake Klocko,**

I am excited to be applying for the position of internal audit & financial advisory. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for key contributions to individual special projects covering specific topics such as Global Control Self-Assessment questionnaire, Best Practices Database and compliance check with Institute of Internal Audit standards.

My experience is an excellent fit for the list of requirements in this job:

- Experience auditing organizations in the real estate industry
- Construct and supervise audit teams
- Strong orientation toward internal control risk assessment, operational, and IT auditing, including experience identifying controls and developing and executing test plans
- Defining the technology approach including technology scope and execution across the engagement portfolio working collaboratively and seamlessly with stakeholders such as financial audit teams and clients
- Knowledge of Sarbanes-Oxley Act provisions and methodologies for achieving compliance, in particular the technology implications and requirements
- Support the development, updates and curation of digital and printed content - including but not limited to newsletters, social media, sales assets, credentials, case studies, presentations, website content, and thought leadership (e.g., blogs, white papers, infographics)

**I really appreciate you taking the time to review my application for the position of internal audit & financial advisory.**

Sincerely
