

# International Trade Compliance Cover Letter

41837 Zieme WellsWest Shizue, FL 51993-4199

**Dear Finley Spinka,**

I submit this application to express my sincere interest in the international trade compliance position.

In the previous role, I was responsible for primary support and advice to Teleflex Medical personnel, serving as a subjectmatter expert for International Trade Compliance issues related to ensuring compliancewith import and export regulations.

My experience is an excellent fit for the list of requirements in this job:

- Requires aptitude and potential to learn import and export regulations
- Experience with some project leadership is preferred
- Serves as a company Empowered Official and ensures compliance with export regulations, license preparation and processing, and the use of exemptions and exceptions in lieu of licensing for business areas
- Reviews and signs export and temporary import license and agreement applications in compliance with applicable U.S. government laws and regulations
- Attract and retain highly qualified team and assigns international trade compliance talent to the appropriate business portfolios to mitigate compliance risks
- Experience managing people/teams and working with executive leadership
- Experience with U.S. export and import regulations (e.g., ITAR, EAR, CBP, BATF, OFAC)
- Experience conducting investigations of potential violations and documenting disclosures related to U.S. export & import compliance

**Thank you for your time and consideration.**

Sincerely,
