

Inventory Accounting Cover Letter

66118 Zemplak KeysNorth Eddie, CO 87435-2690

Dear Reese Kihn,

I am excited to be applying for the position of inventory accounting. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for support as requested to the state auditor; researches transactions and answers questions about internal controls and procedures.

Please consider my experience and qualifications for this position:

- Proven analytical skills and understanding of system/process flows
- Strong Excel skills, attention to detail/accuracy
- ERP experience would be helpful
- Needs to take initiative and be able to handle multiple tasks at any time
- US GAAP experience and technical accounting knowledge around inventory preferred
- Demonstrates knowledge and experience with inventory accounting
- Provide analysis for Accounting management and business unit teams regarding margin lines such as shrink and defective expense and guide the team in preparing appropriate accruals
- Perform analytical reviews and interpretation of financial data and provides understandable explanations to non-financial business partners

Thank you for considering me to become a member of your team.

Sincerely,

Indigo Little
