

# Investment Product Manager Cover Letter

912 Vincenza Squares  
Port Angie, HI 76631-7198

**Dear Reese Stracke,**

I am excited to be applying for the position of investment product manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for input to capital appropriation and project development processes to make the business case for capital investment(s) needed to establish manufacturing capability for these products.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Enjoy implementing organizing team/task infrastructure and best practices
- Anticipation of organizational needs and efficiency
- Familiarity with the business services and offerings associated with JPM Chase Asset Management
- Demonstrate advanced knowledge of digital products and emerging technology platforms, applications and standards
- Advanced knowledge of data analysis and research techniques
- Advanced knowledge of Project Management/agile scrum process and agile product owner role
- Hands-on experience developing web or mobile application(s)
- Fluent in writing well-formed User Stories meeting INVEST criteria

**Thank you for taking your time to review my application.**

Sincerely,

Finley Thompson
